Rheolution wishes to thank all the attendees present at the Biomat-MatSan 2019 Congress in La Grande-Motte. This was a great opportunity to discuss and exchange with you around your research topics. We’ll be very happy to discuss with you again in a near future!

As a reminder, see below a few of our applications with the ElastoSens Bio²:
This is all on our blog: https://www.rheolution.com/blog

- Mechanical analysis of UV Crosslinked Hydrogel
- Mechanical characterization of 3D printed scaffolds
- Mechanical Monitoring of Soft Hydrogels
- Monitoring of mechanical degradation of biomaterials
- Model Drug delivery from Alginate/Gelatin composite hydrogel
